Busy Bears Quilt Guild April 2020

President's Message

CALENDAR - 2020

All gatherings cancelled for the present.

A Quick Note From The President

I hope this message finds you and your loved one in good health. Let's remember this too will pass.

Let me give you an update on the guild happenings. The Board Members have not had a Board Meeting since March 2nd but have had phone conversations and have made decisions regarding guild activities.

Those decisions are as follows:

April 20th General Meeting and workshop is cancelled.

May 4th Board Meeting is cancelled.

May 18th General Meeting and workshop is cancelled.

June 6th Tea Party will be cancelled and we hope to reschedule.

As for June and the remaining year we will determine on a month to month basis.

I hope during these times you are enjoying your UFO projects, or starting new ones. If you would like to do a charity quilt, please call Sue Hart she will arrange for you to pick up a kit that is bagged and sitting in front of her garage.

I have requested Jan Chapman our Chairperson for the Directory to please e-mail the directory out. The opportunity quilt tickets will be available once we get back to our General Meeting for distribution.

If you are wondering about the Quilt Show that is scheduled for Labor Day weekend no determination to cancel it yet has been made. This decision will need to be made soon, I would not want to see any additions expenses occur, and then we cancel it. Send me an e-mail if you would like to express your opinions.

EDITORS EPISTLE

Hi Everyone! I hope and pray you are all in good health! I sure miss seeing everyone. I am attempting to reformat the directory so I can sent it by email soon.

Unfortunately we won't be able to sing "A HAPPY BIRTHDAY SONG" this month, but know the hearts of the Busy Bears will be wishing you a special "Happy Birthday" and we hope your "Special Day" is as perfect as it can be.

During this rough time in our country, we are hoping and praying that all of you stay well and free from this terrible virus. Please wear your facemasks, and mind all the rules of safety, like staying at home, and at least 6 ft. away from people whenever possible. Thank God, I have not received any calls of anyone in our Guild becoming victims to this virus. Let's keep it that way.

We will miss you and the April meeting, but we want you to stay safe and well. This will pass eventually and we will all be together again and we **WILL** celebrate. .

Take extra care

I know we all want this situation to go away so we can return to the life that we know, but due to all the unknowns, our retreat may have to be rescheduled.

Watch for future messages addressing our retreat during this pandemic.
