President's Message

A Quick Note From The President

Can't believe it's the last meeting of the year. Where has the time gone, and are we really ready for the Holidays?

It will be a busy meeting as we will be welcoming our recipients of our philanthropy donations to join us. We will be also electing Board Members for our 2020 and voting on the 2020 Proposed Budge. As Lorraine Taylor has mentioned in the program section it will also be out Annual Cookie Exchange YUM!

I love how we end our year with our Annual Christmas Party/Dinner. Lorraine Taylor will have the sign-up sheet available at the meeting.

So much to do... so little time. Happy Quilting!

Belinda Evans
President

Programs – Tonight’s meeting- Philanthropy recipients are here to familiarize members with the work of their organizations. Dawn from Doves said they run a 17- bed shelter for abuse victims from off the mountain and for local residents. A quilt is given to each person, adult and child upon intake to the facility and are sometimes their only possession as they had to leave with nothing. Tracy from Mom and Dad Project told us the quilts are hung in their meeting room and given to each family that completes the program, which teaches parenting and childcare classes to those who need support. Both speakers told very emotional stories of the effect of our quilt donations on their clients. A donation was taken up for Scentsy Buddies which are scented comfort toys for children in need. Tomorrow’s workshop- pillowcases for “Ryan’s Case for Smiles” which supplies 11 hospitals in San Bernardino County for kids having to stay overnight. November meeting will be our Cookie Exchange and disbursement of our 2019 Philanthropy donations. There will be no workshop due to the proximity to Thanksgiving.

2021 Opportunity Quilt – Fran Martin and Belinda Evans announced that a McKenna Ryan pattern has been purchased with fabrics and will be available for signup to complete a section at the November meeting.

Open Committee Positions – The current Board will continue into 2020. There are open positions for Committee chairs. See Belinda if you are interested to see the list.

Philanthropy

We have come to the close of another wonderful year of quilting and dear friendships. Each member should be proud to have been part of such a productive year. We have supported many needs of our community, including the Community Church food bank, Mom and Dad Project and DOVES with our special talents. Through our hard work we have also been able to support financially some special organizations in our valley. This month we will celebrate and distribute checks to all of the chosen organizations.

Food Pantry

With winter close at hand, the food theme for this month is canned soup. Something to warm the tummy on a cold day.

Sue Hart
Philanthropy

Comfort Quilts

Kits will be available to be picked up. During these next cold months I am Sure that each of us will be quilting in our cozy workshops. This is the perfect Time to start our commitment to the Guild and complete your donation.

Looking forward to another great year!

Stitchy Fingers

In October we enjoyed the nice weather sewing and chatting on my front porch. Then later in the month we had more fun chatting and stitching at Sue Merritt's.

We will start off November at Sue Boylin's on the 1st, and a fun road Trip to Apple Valley along with the Cut Ups will be hosted by Laurie Nahay on the 14th.

PROGRAMS

Our November program is one of my favorites. Our guests will be the recipients of our donations. We have worked all year to be able to give back to our community and this is the time to see what we have done. Hope you plan to be there to be part of it.

We also have our Cookie Exchange. Each member brings at least two dozen cookies. One dozen to share for refreshments and one dozen (or more) to exchange. You will need to have your cookies on separate plates. One for refreshment table and one for exchange table. I will have bags to put the cookies you are taking home. You can exchange for the same amount you bring. So if you have one dozen for exchange, you take home one dozen, if you bring two dozen, you take home two dozen, etc.

The Christmas Party is just around the corner! Join us at the Lodge in the Stillwell's Restaurant - 40650 Village Dr. at 5pm on December 2. The signup sheets will be at the meeting. The cost is \$20 for members with the guild paying the balance. You will have a choice of Beef, Chicken, Salmon or Pasta. When you sign up, you must pay for your dinner at that time. We have until November 21 to get your reservation. If you cannot make it to the meeting, the sign up sheet will be at Bear Country Quilts. You can stop by there to sign up and pay.

Each member is to bring a homemade ornament wrapped in a fat quarter for our exchange game. You do not have to make the ornament but it does need to be homemade.

If you have any questions about any of the above information, give me a call or email. See you at the meeting.

Baked Cinnamon and Cardamom Apple Chips

This is a delicious, very easy, and healthy homemade snack.

INGREDIENTS:

2 cups water
½ cup brown sugar
1 tsp ground cinnamon
1 tsp ground cardamom
Juice from 1 lemon
2 crisp apples

DIRECTIONS:

In a medium saucepan over medium heat, combine water, brown sugar, cinnamon, cardamom and lemon juice. When combined, remove from heat, and let cool.

Slice apples thinly, a scant ⅛ inch, either by hand or using a mandolin or similar slicer, remove seeds as necessary (no need to peel or core apples). Add apple slices to cooled syrup and allow to brine for at least two hours, up to overnight (I do overnight).

Preheat oven to 200°. Remove apple slices from brine, and pat dry with paper towels. Arrange the apple slices in a single layer on parchment paper lined baking sheets. Bake for 60 minutes, then flip apple slices and bake for another 60-90 minutes, checking apple slices often for doneness. Allow to cool at room temperature (apple slices will crisp as they cool). ENJOY!!!
