Laurie Nahay

Hello All,

In light of continuing safety concerns, the Board has decided that the annual Christmas party should be canceled this year. However, to keep us in the holiday spirit, we will still be exchanging handmade holiday ornaments.

If you would like to participate, you can either make an ornament yourself or purchase one. If it is purchased, remember that it must be handmade. Wrap your gift in a fat quarter and include your name in the package. Deliver the package to Country Bear Quilts between November 8 and November 28. Beginning December 1, you may return to Country Bear Quilts to receive your ornament. This should be a fun way to stay connected. I hope you participate!

Stay well.

A Quick Note From The President

Well, the Board Members have a surprise for everyone. We're having a General Meeting, November 16th at 6:00 p.m. 5:30 p.m. for our meet and mingle. The chairs will be set 6 feet apart and we will be wearing our masks. Our program will be a show-n-tell by our members. If you were like me, I'm sure you have a lot to show.

November is also our month for voting on our new 2021 Board Members. Please read the article from our Nomination Committee, to see who is interested in being on our 2021 Board. There is also a list of volunteers who are interested in a committee chair position. Some individuals returning and some new! We still need a Treasurer for 2021, so if you have accounting and computer skills, we would really like for you to consider the position.

November has also been our cookie exchange. How the cookie exchange works if you would like to participate you make two dozen cookies. You bring one dozen for all the members to sample and the other dozen is put in the kitchen. At break time those who brought cookies goes into the kitchen and picks a dozen of their selected choice. It's always fun and remember it is home made cookies not store purchased.

Philanthropy

Thanks to everyone who has turned in your comfort quilts during this crazy time. Doves and Mom and Dad are grateful for all the hard work you do. I still have a supply of kits at my home for anyone who would like to drive by and pick up one. Just call and I'll have it ready. Hope to see everyone soon!
